PRESENTATION

A Heritage in Crafting The Future -
Yesterday, today, and tomorrow

INTRODUCTION

CHOW TAI FOOK JEWELLERY GROUP LIMITED (SEHK STOCK CODE: 1929) WAS LISTED ON THE MAIN BOARD OF THE STOCK EXCHANGE OF HONG KONG IN DECEMBER 2011.

Founded in 1929, the Group's iconic brand "CHOW TAI FOOK" has become an emblem of tradition, celebrated for its bold designs and an unwavering attention to detail. Building upon a rich heritage and a foundation of trust, the Group is not only widely recognised for honouring traditions but also for fostering deep, meaningful connections with a diverse customer base through its products. The Group's long-standing commitment to innovation and craftsmanship has been integral to its success over time and has become synonymous with excellence, value and authenticity.

As a leading Chinese jeweller, the Group believes in blending contemporary cutting-edge designs with traditional techniques to create jewellery that can be passed down from generation to generation. Every collection is thoughtfully conceived and crafted to reflect the stories of our customers, celebrating the special moments in their lives. Committed to growing alongside our customers, the Group embraces a spirit that aspires to inspire and captivate generations to come, weaving the story of CHOW TAI FOOK into the fabric of their lives.

OUR VISION

To be the leading global jewellery brand that is a trusted lifetime partner for every generation

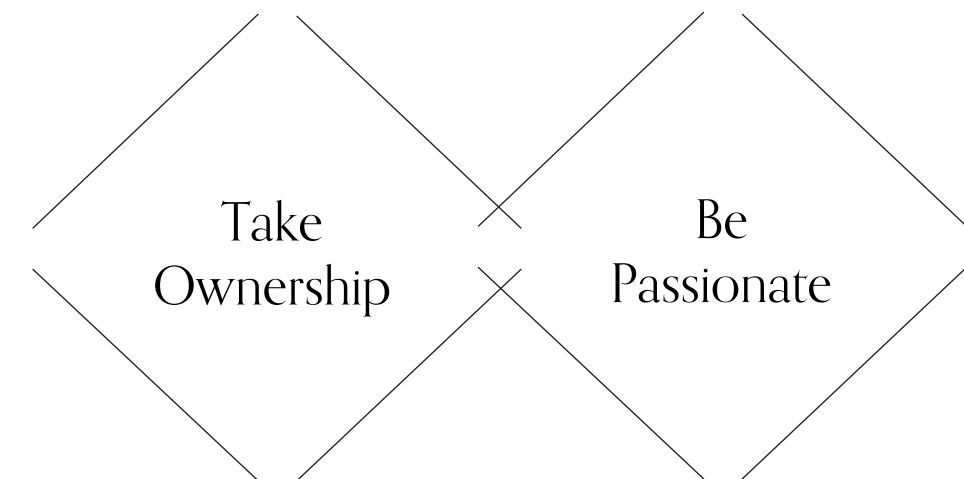

OUR VALUES

Understanding that people are core to our company's success – whether it be our employees, shareholders, partners or customers, we work together for the best possible outcomes

Based on strong ethics, behaving in a manner that is true to our heritage of always being honest, transparent, and genuine

Embodying adaptability with agility, demonstrating curiosity towards alternative perspectives and welcoming the new

Taking ownership of our actions, acknowledging that successes and mistakes are all learning opportunities

Carrying and expressing genuine interest in what we do and create, always acting with drive and enthusiasm

Any forwarding, publication, distribution or reproduction of this document in whole or in part is unauthorised.

The information contained in this presentation does not constitute or form part of any offer for sale or subscription of or solicitation or invitation of any offer to buy or subscribe for any securities or other interests of the Company or its holding Company or any of its subsidiaries in any jurisdiction or an inducement to enter into any investment activity, nor shall it or any part of it form the basis of or be relied on in connection with any contracts, commitment or investment decision whatsoever.

This presentation contains forward-looking statements. Such forward-looking statements are based on a number of assumptions about the operations of the Company and other factors, many of which may be beyond the Company's control. By their nature, forward-looking statements involve risks and uncertainties because they relate to events and depend on circumstances that may or may not occur in the future. Accordingly, the Company's actual results may differ materially from those expressed or implied by such forward-looking statements. The Company has no obligation and does not undertake to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. The information contained in this presentation has been compiled as of the date of this presentation, speaks as of the date of this presentation (or earlier, if so indicated) and will not be updated to reflect material developments which may occur after the date of this presentation, and is subject to change, including substantial changes, without notice.

This presentation may include measures of financial performance which are not a measure of financial performance under IFRS, such as "Core operating profit". These measures are presented because the Company believes they are useful measures to determine the Company's operating cash flow and historical ability to meet debt service and capital expenditure requirements. "Core operating profit" should not be considered as an alternative to cash flows from operating activities, a measure of liquidity or an alternative to net profit or indicators of the Company's operating performance on any other measure of performance derived in accordance with IFRS. Because it is not an IFRS measure, "Core operating profit" may not be comparable to similarly titled measures presented by other companies.

The information contained in this presentation has not been independently verified.
